Dear colleagues!

We invite you to take part in the International Scientific and Practical Conference "Ecological, Industrial and Energy Security - 2019" which will take place in Sevastopol from 23 to 26 September, 2019, in the Sevastopol State University.

SECTIONS
1. Environmental monitoring and monitoring systems of environment.
2. Ecobiological problems of the regions and integrated resource management.
3. Technosphere safety.
4. Traditional and renewable energy.

MEMBERSHIP OF PROGRAM COMMITTEES
Chairman:
Omelchuk J. A., Director of the Institute of Nuclear Energy and Industry, SevSU, Ph.D., Associate Professor.
Secretary:
Lyamina N.V., Associate Professor of the Department «Radioecology and Environmental Safety», Institute of Nuclear Energy and Industry, SevSU, Ph.D.

Program Committee Members:
Tananaev I. G., Head of the Academic Department, Far Eastern Federal University, Doctor of Chemical Sciences, corresponding member of RAS;
Islam Israfil oglu Mustafayev, Institute of Radiation Problems ANAS, Azerbaijan University of Architecture and Construction, Doctor of Chemical Sciences, Professor, corresponding member of ANAS;
Makhinov A. N., Deputy Director for Research, Institute for Aquatic and Ecological Problems, Far Eastern Branch of the RAS, Doctor of Geography, Professor;
Trofimov I. A., Deputy Director for Research, Head of the Laboratory of Geobotany, Federal Williams Research Center of Forage Production and Agroecology, Doctor of Geography, Senior Researcher;
Dvoretsky A. T., Head of the Department «Geometric and computer modeling of energy-saving buildings», V.I. Vernadsky Crimean Federal University, Doctor of Technical Sciences, Professor;
Đukić Dragutin Andrija, Faculty of Agronomy in Čačak, University of Kragujevac, Serbia, Professor;
Zaichenko V. M., Head of the Division «Distributed Energy Systems», Joint Institute for High Temperatures of RAS, Doctor of Technical Sciences, Professor;
Rylnikova M. V., Head of the Department «The Theory of Design of Development of Subsoil», Institute of Comprehensive Exploitation of Mineral Resources RAS, Doctor of Technical Sciences, Professor;
Shishkina L. N., Head of the Laboratory «Physical and Chemical Problems of Radiobiology and Ecology», Emanuel Institute of Biochemical Physics of RAS, Doctor of Chemical Sciences, Professor;
Sineeva N. V., Dean of the Faculty of Engineering and Ecology, Novosibirsk State University of Architecture and Civil Engineering (Sibstrin), Ph.D., Associate Professor;
Filonova E. N., Associate Professor of the Faculty of Engineering and Ecology, Novosibirsk State University of Architecture and Civil Engineering (Sibstrin), Ph.D., Associate Professor;
Sinelshikov V. A., Leading Researcher, Division «Distributed Energy Systems», Joint Institute for High Temperatures of RAS, Ph.D..

To participate in the conference, application for participation in the conference (application form - Appendix A) must be sent by e-mail until February 20, 2019. Then get the registration number of the report, which will be used later for correspondence with the organizing committee and sending the registration fee.

E-mail of the conference – eiesconf@mail.ru.

Summary of the report drawn up in accordance with the following requirements (sample - Appendix B) must be sent until May 01, 2019.

Content of the report and the application for participation in the conference should be sent by single e-mail, each report must comply with a separate letter. By the beginning of the conference it is planned to publish a collection of materials (printed and online). The collection of materials will be placed in the national bibliographic database of the RICC. Conference participants will be awarded certificates. Expenses for food, accommodation, transport and cultural program participants are on their own.

Conference languages: Russian, English.

IMPORTANT DATES
20.02.2019 – the deadline for submission of applications for participation
01.05.2019 – the deadline for submission of abstracts by the participants
01.07.2019 – the deadline for payment of registration fee
21.05.2019 – the deadline for mailing invitations to the conference
23.09.2019 – the beginning of the conference

AMOUNT AND PROCEDURE OF PAYMENT
The size of the registration fee:
2500 RUB per one abstract for full participation;
Requisites for the transfer of the registration fee will be sent in the second announcement.

CONTACT INFORMATION:
Sevastopol State University
Institute of Nuclear Energy and Industry
Kurchatov str., 7, Sevastopol, Russia, 299033
Phone / Fax: +7(978) 704 31 20
E-mail: eiesconf@mail.ru

We are waiting for you at the conference!
Sincerely, ORGANIZING COMMITTEE

THE PROCEDURE OF PROVIDING MATERIALS

For inclusion in the program of the conference the applications for participation sent until February 20, 2019 are considered. The application should contain full details of all authors (Appendix A). Please note that the Conference Proceedings will be published by the standards and requirements of the abstract database RSCI. In connection with this change the rules of registration of materials provided at the conference:

• The paper, including figures, tables and formulas: not less than 3 and no more than 5 A4 pages. Articles should be made out in accordance with the model set out in Appendix B.
  • At the beginning of the article should be a summary (abstract). Volume: 100-250 words.
  • The main text of the article is typed in MS Word 2003, in Times New Roman 11, fields: left 3.5 cm, upper, lower, right - 2.0 cm; alignment on both edges, the size of the indentation - 0, 75 cm; Symbols from Symbol; hyphenation - auto; line spacing is single.;
  • All formulas in the text should be written only in the editor MS Equation !.
  • The inscriptions are written in figures font 10 pt. Figure captions are written below the figure without a point at the end, for example: «Figure 1 – Structure of the device». Titles of tables are written on the upper left corner of the table without indentation and without a point at the end of the title.
  • Each article must be accompanied by a list of references.

The organizing committee reserves the right to reject articles that do not meet the conference topics, which do not contain scientific novelty or designed by the rules. No work will be accepted, bearing the abstract nature of the work.

TITLE OF THE ARTICLE (11PT TIMES NEW ROMAN, BOLD, CENTERED)

A.A. Ivanov¹, B.B. Petrov² (11pt Times New Roman, Centered)

¹First author affiliation (11pt Times New Roman, italic, centered; series indicated a department, university, address, zip code, country, e-mail)

²Second author affiliation (11pt Times New Roman, italic, centered)

Abstract.

Abstract in English, volume – not less than 300 characters, size – 11pt; the first line of a paragraph - 0.75 cm; alignment – in width).

Key words:

The text of the report materials
