Institute of Information Technology	Part-time	Bachelor	09.03.02 Information systems and technologies(profile: Intelligent web-based information systems and technologies)
Institute of Information Technology	Part-time	Bachelor	09.03.02 Information systems and technologies(profile: Information systems and technologies)
Institute of Information Technology	Part-time	Master degree	09.04.02 Information systems and technologies(profile: Intelligent information systems)
Institute of Information Technology	Full-time	Bachelor	09.03.01 Computer Science and Engineering(profile: Electronic computers, systems and networks)
Institute of Information Technology	Full-time	Bachelor	09.03.02 Information systems and technologies(profile: Intelligent web-based information systems and technologies)
Institute of Information Technology	Full-time	Bachelor	09.03.02 Information systems and technologies(profile: Information systems and technologies)
Institute of Information Technology	Full-time	Bachelor	09.03.03 Applied Computer Science(profile: Geoinformation technologies)
Institute of Information Technology	Full-time	Bachelor	09.03.03 Applied Computer Science(profile: Geoinformation technologies and 3D modeling)
Institute of Information Technology	Full-time	Bachelor	09.03.04 Software Engineering(profile: System and application software)
Institute of Information Technology	Full-time	Bachelor	09.03.04 Software Engineering(profile: Programming technologies)

Institute of Information Technology	Full-time	Bachelor	10.03.01 Information security(profile: Information security organization and technologies (by industry or in the field of professional activity))
Institute of Information Technology	Full-time	Bachelor	10.03.01 Information security(profile: Organization and technology of information protection)
Institute of Information Technology	Full-time	Master degree	09.04.01 Computer Science and Engineering(profile: High-performance computing systems)
Institute of Information Technology	Full-time	Master degree	09.04.02 Computer Science and Engineering(profile: Intelligent information systems)
Institute of Information Technology	Full-time	Master degree	09.04.03 Applied Computer Science(profile: Geomatics and AR/VR technologies)
Institute of Information Technology	Full-time	Master degree	09.04.03 Applied Computer Science(profile: Artificial Intelligence and data science)
Institute of Information Technology	Full-time	Master degree	09.04.04 Software Engineering(profile: Cloud Computing and SOA)
Institute of Information Technology	Full-time	Master degree	10.04.01 Information security(profile: Information security organization and technologies (by industry or in the field of professional activity))
Institute of Information Technology	Full-time	Master degree	10.04.01 Information security(profile: Information security management in public authorities)
Institute of Information Technology	full-time and part-time	Master degree	10.04.01 Information security(profile: Information security organization and technologies)
Institute of Information Technology	full-time and part-time	Master degree	10.04.01 Information security(profile: Information security management in public authorities)
Institute of Social Sciences and International Relations	Part-time	Master degree	46.04.01 History(profile: Archaeology and protection of historical and cultural heritage sites)
Institute of Social Sciences and International Relations	Part-time	Master degree	46.04.01 History(profile: Marine Archaeology)
Institute of Social Sciences and International Relations	Full-time	Bachelor	39.03.01 Sociology(profile: Sociology of the Digital Society)
Institute of Social Sciences and International Relations	Full-time	Bachelor	41.03.04 Political Science(profile: The foreign policy of the Russian Federation in the Greater Mediterranean region)
Institute of Social Sciences and International Relations	Full-time	Bachelor	41.03.04 Political Science(profile: Public policy)

Institute of Social Sciences and International Relations	Full-time	Bachelor	42.03.01 Advertising and public relations(profile: PR and strategic communications)
Institute of Social Sciences and International Relations	Full-time	Bachelor	42.03.02 Journalism(profile: Digital journalism)
Institute of Social Sciences and International Relations	Full-time	Bachelor	45.03.01 Philology(profile: Foreign philology)
Institute of Social Sciences and International Relations	Full-time	Bachelor	45.03.01 Philology(profile: Russian Philology)
Institute of Social Sciences and International Relations	Full-time	Bachelor	45.03.01 Philology(profile: Russian language and intercultural communication)
Institute of Social Sciences and International Relations	Full-time	Bachelor	45.03.02 Linguistics(profile: Translation and Translation studies)
Institute of Social Sciences and International Relations	Full-time	Bachelor	46.03.01 History(profile: History and Social Studies)
Institute of Social Sciences and International Relations	Full-time	Bachelor	58.03.01 Oriental and African studies(profile: Socio-political processes in the Middle East and North Africa)
Institute of Social Sciences and International Relations	Full-time	Master degree	39.04.01 Sociology(profile: Sociology of Digital Transformation)
Institute of Social Sciences and International Relations	Full-time	Master degree	41.04.01 Foreign regional studies(profile: Регионоведение Большого Средиземноморья)
Institute of Social Sciences and International Relations	Full-time	Master degree	41.04.04 Political Science(profile: Public policy and political governance)
Institute of Social Sciences and International Relations	Full-time	Master degree	41.04.05 International relations(profile: International humanitarian cooperation and regional external relations)
Institute of Social Sciences and International Relations	Full-time	Master degree	42.04.05 Media-communications(profile: MediaNet (MediaNet))
Institute of Social Sciences and International Relations	Full-time	Master degree	45.04.01 Philology(profile: European languages and world literature)
Institute of Social Sciences and International Relations	Full-time	Master degree	45.04.01 Philology(profile: Media discourse in intercultural communication)
Institute of Social Sciences and International Relations	Full-time	Master degree	45.04.01 Philology(profile: Media discourse in intercultural communication (program in English))

Institute of Social Sciences and International Relations	Full-time	Master degree	45.04.01 Philology(profile: The Russian language in the interaction of languages and cultures)

Institute of Social Sciences and International Relations	Full-time	Master degree	46.04.01 History(profile: Museumification of historical heritage sites)
Institute of Social Sciences and International Relations	Full-time	Master degree	48.04.01 Theology(profile: Historical and cultural aspects of Orthodoxy)
Institute of Social Sciences and International Relations	Full-time	Master degree	58.04.01 Oriental and African studies(profile: Civilizational and political analysis of the dynamics of the development of Arab countries)
Institute of Social Sciences and International Relations	Full-time	Specialist	45.05.01 Translation(profile: Linguistic support of interstate relations)
Institute of Social Sciences and International Relations	Full-time	Specialist	45.05.01 Translation(profile: Interlanguage and intercultural communication)
Institute of Social Sciences and International Relations	full-time and part-time	Master degree	46.04.04 Archaeology(profile: Archaeology of the Northern Black Sea Region)
Institute of Social Sciences and International Relations	full-time and part-time	Master degree	48.04.01 Theology(profile: State-confessional relations)
Institute for Advanced Studies	Full-time	Bachelor	03.03.02 Physics(profile: Biophysics and bioinformatics)
Institute for Advanced Studies	Full-time	Bachelor	03.03.02 Physics(profile: Physics of living systems)
Institute for Advanced Studies	Full-time	Master degree	03.04.02 Physics(profile: Biophysics and bioinformatics)
Institute for Advanced Studies	Full-time	Master degree	03.04.02 Physics(profile: Biophysics and bioinformatics)
Institute for Advanced Studies	Full-time	Master degree	03.04.02 Physics(profile: The physics of the sea. Satellite oceanology)
Institute for Advanced Studies	Full-time	Master degree	05.04.04 Hydrometeorology(profile: Meteorology and climatology)
Institute for Advanced Studies	Full-time	Master degree	05.04.06 Ecology and nature management(profile: Hydrobiology and general ecology)
Institute for Advanced Studies	Full-time	Master degree	05.04.06 Ecology and nature management(profile: Natural engineering systems)
Institute for Advanced Studies	Full-time	Master degree	05.04.06 Ecology and nature management(profile: Digital Geoecology)
Institute for Advanced Studies	Full-time	Master degree	06.04.01 Biology(profile: Botany and functional genomics)
Institute for Advanced Studies	Full-time	Master degree	06.04.01 Biology(profile: Hydrobiology)

Institute for Advanced Studies	Full-time	Master degree	09.04.03 Applied Computer Science(profile: Bioinformatics)
Institute for Advanced Studies	full-time and part-time	Master degree	03.04.02 Physics(profile: Biophysics and bioinformatics)
Institute for Advanced Studies	full-time and part-time	Master degree	05.04.06 Ecology and nature management(profile: Hydrobiology and general ecology)
Institute for Advanced Studies	full-time and part-time	Master degree	06.04.01 Biology(profile: Hydrobiology)
Institute of Radio Electronics and Intelligent Technical Systems	Part-time	Bachelor	11.03.01 Radio engineering(profile: Radio engineering)
Institute of Radio Electronics and Intelligent Technical Systems	Part-time	Bachelor	11.03.02 Infocommunication technologies and communication systems(profile: Infocommunication technologies and communication systems)
Institute of Radio Electronics and Intelligent Technical Systems	Part-time	Master degree	11.04.01Radio engineering(profile: Radio engineering)
Institute of Radio Electronics and Intelligent Technical Systems	Part-time	Master degree	11.04.02 Infocommunication technologies and communication systems(profile: Infocommunication technologies and communication systems)
Institute of Radio Electronics and Intelligent Technical Systems	Part-time	Specialist	11.05.01 Radio-electronic systems and complexes(profile: Design and technology of radio-electronic systems and complexesв)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Bachelor	11.03.01 Radio engineering(profile: Radio engineering)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Bachelor	11.03.02 Infocommunication technologies and communication systems(profile: Infocommunication technologies and communication systems)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Bachelor	11.03.03 Design and technology of electronic means(profile: Information technologies for the design of electronic means)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Bachelor	11.03.04 Electronics and nanoelectronics(profile: Intelligent programmable systems and devices)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Bachelor	27.03.04 Management in technical systems(profile: Intelligent robotic systems)

Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Master degree	09.04.04 Software Engineering(profile: Digital technologies for a smart city)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Master degree	11.04.01 Radio engineering(profile: Design and programming of innovative radio electronics devices)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Master degree	11.04.02 Infocommunication technologies and communication systems(profile: Innovative 5G/6G telecommunication technologies)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Master degree	11.04.04 Electronics and nanoelectronics(profile: Intelligent programmable systems and devices)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Master degree	15.04.06 Mechatronics and robotics(profile: Intelligent robotic systems)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Master degree	15.04.06 Mechatronics and robotics(profile: Design and maintenance of unmanned aerial vehicles)
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Master degree	27.04.04 Management in technical systems(profile: Marine Internet of Things and intelligent systems (Marine Smart Systems))
Institute of Radio Electronics and Intelligent Technical Systems	Full-time	Specialist	11.05.01 Radio-electronic systems and complexes(profile: Design and technology of radio-electronic systems and complexes)
Institute of Urban Development	Part-time	Bachelor	08.03.01 Construction(profile: Industrial and civil engineering)
Institute of Urban Development	Part-time	Bachelor	21.03.02 Land management and cadastres(profile: Land management and cadastres of territories and water areas)
Institute of Urban Development	Part-time	Bachelor	38.03.04 State and municipal administration(profile: City management)
Institute of Urban Development	Part-time	Bachelor	43.03.03 Hotel business(profile: Hotel and spa activities)
Institute of Urban Development	Part-time	Master degree	21.04.03 Geodesy and remote sensing(profile: Engineering and marine geodesy)
Institute of Urban Development	Part-time	Master degree	38.04.02 Management(profile: Management of a viticultural and wine-making enterprise)
Institute of Urban Development	Part-time	Master degree	38.04.04 State and municipal administration(profile: Management of development programs and projects)
Institute of Urban Development	Full-time	Bachelor	07.03.01 Architecture(profile: Design of residential and public buildings)
Institute of Urban Development	Full-time	Bachelor	07.03.02 Reconstruction and restoration of architectural heritage(profile: Reconstruction and restoration of architectural heritage)
Institute of Urban Development	Full-time	Bachelor	08.03.01 Construction(profile: Industrial and civil engineering)
Institute of Urban Development	Full-time	Bachelor	21.03.02 Land management and cadastres(profile: Land management and cadastres of territories and water areas)

Institute of Urban Development	Full-time	Bachelor	35.03.05 Gardening(profile: Viticulture and winemaking)
Institute of Urban Development	Full-time	Bachelor	35.03.10 Landscape architecture(profile: Gardening and landscape design)
Institute of Urban Development	Full-time	Bachelor	38.03.04 State and municipal administration(profile: City management)
Institute of Urban Development	Full-time	Bachelor	43.03.02 Tourism(profile: Entrepreneurship in the field of tourism and hospitality)
Institute of Urban Development	Full-time	Bachelor	43.03.03 Hotel business(profile: Hotel and spa activities)
Institute of Urban Development	Full-time	Bachelor	54.03.01 Design(profile: Environment design)
Institute of Urban Development	Full-time	Master degree	07.04.04 Urban planning(profile: Territorial planning and urbanism)
Institute of Urban Development	Full-time	Master degree	21.04.03 Geodesy and remote sensing(profile: Engineering and marine geodesy)
Institute of Urban Development	Full-time	Master degree	35.04.05 Gardening(profile: Management of fruit production)
Institute of Urban Development	Full-time	Master degree	35.04.09 Landscape architecture(profile: Landscape architecture of tourist and recreational complexes)
Institute of Urban Development	Full-time	Master degree	38.04.02 Management(profile: Management of a viticultural and wine-making enterprise)
Institute of Urban Development	Full-time	Master degree	38.04.04 State and municipal administration(profile: Management of development programs and projects)
Institute of Urban Development	Full-time	Master degree	43.04.02 Tourism(profile: Event management and business tourism)
Institute of Urban Development	Full-time	Master degree	54.04.01 Design(profile: Design of the socio-cultural environment)
Institute of Urban Development	full-time and part-time	Bachelor	08.03.01 Construction(profile: Industrial and civil engineering)
Institute of Urban Development	full-time and part-time	Bachelor	38.03.04 State and municipal administration(profile: City management)
Institute of Urban Development	full-time and part-time	Master degree	07.04.01 Architecture(profile: Architectural design of buildings and structures)
Institute of Urban Development	full-time and part-time	Master degree	07.04.02 Reconstruction and restoration of architectural heritage(profile: Reconstruction and restoration of architectural heritage)

Institute of Urban Development	full-time and part-time	Master degree	07.04.04 Urban planning(profile: Territorial planning and urbanism)

Marine institute	Full-time	Specialist	26.05.01 Design and construction of ships, vessels and ocean engineering facilities(profile: Design and construction of ships, ocean engineering facilities)
Marine institute	Full-time	Specialist	26.05.05 Navigation(profile: Navigation on sea routes)
Marine institute	Full-time	Specialist	26.05.06 Operation of marine power plants(profile: Operation of the main marine propulsion system)
Marine institute	Full-time	Specialist	26.05.07 Operation of marine electrical equipment and automation equipment(profile: Operation of marine electrical equipment and automation equipment)
Polytechnic Institute	Part-time	Bachelor	19.03.04 Product technology and catering organization(profile: Technology and organization of production of public catering products)
Polytechnic Institute	Part-time	Bachelor	23.03.03 Operation of transport and technological machines and complexes(profile: Automobiles and automotive industry)
Polytechnic Institute	Part-time	Bachelor	23.03.03 Operation of transport and technological machines and complexes(profile: Operation of ground vehicles)
Polytechnic Institute	Part-time	Master degree	19.04.04 Product technology and catering organization(profile: Modern technologies of organization and production of public catering products)
Polytechnic Institute	Part-time	Master degree	20.04.01 Technosphere safety(profile: Technosphere safety)
Polytechnic Institute	Part-time	Master degree	23.04.01 Technology of transport processes(profile: Traffic management and safety)
Polytechnic Institute	Full-time	Bachelor	12.03.01 Instrumentation(profile: Information and measuring equipment and technologies)
Polytechnic Institute	Full-time	Bachelor	12.03.04 Biotechnical systems and technologies(profile: Biotechnical and medical devices and systems)

Polytechnic Institute	Full-time	Bachelor	15.03.04 Automation of technological processes and productions(profile: Automation of technological processes and production (industry))
Polytechnic Institute	Full-time	Bachelor	15.03.05 Design and technological support of machine-building industries(profile: Design and technological support of machine-building industries)
Polytechnic Institute	Full-time	Bachelor	15.03.06 Mechatronics and robotics(profile: Mechatronic and robotic technological systems and complexes)
Polytechnic Institute	Full-time	Bachelor	19.03.04 Product technology and catering organization(profile: Technology and organization of production of public catering products)
Polytechnic Institute	Full-time	Bachelor	20.03.01 Technosphere safety(profile: Technosphere safety)
Polytechnic Institute	Full-time	Bachelor	23.03.01 Technology of transport processes(profile: Organization of transportation and management in a single transport system)
Polytechnic Institute	Full-time	Bachelor	23.03.03 Operation of transport and technological machines and complexes(profile: Operation of ground vehicles)
Polytechnic Institute	Full-time	Bachelor	27.03.01 Standardization and metrology(profile: Metrology and technical quality control of products)
Polytechnic Institute	Full-time	Bachelor	27.03.01 Standardization and metrology(profile: Standardization and quality management)
Polytechnic Institute	Full-time	Master degree	12.04.01 Instrumentation(profile: Information and measuring equipment and technologies)
