Maritime Institute	full-time	Bachelor	26.03.01 Management of water transport and hydrographic support of navigation	Management of transport systems and logistics services in water transport
Maritime Institute	full-time	Bachelor	26.03.02 Shipbuilding, ocean engineering and system engineering of marine infrastructure facilities	Shipbuilding
Maritime Institute	full-time	Master	17.04.01 Naval armament	Design of dual-purpose marine robotic vehicles
Maritime Institute	full-time	Master	26.04.02 Shipbuilding, ocean engineering and system engineering of marine infrastructure facilities	Innovative shipbuilding
Maritime Institute	full-time	Specialist	26.05.01 Design and construction of ships, vessels and ocean engineering facilities	Design and construction of ships and ocean engineering facilities
Maritime Institute	full-time	Specialist	26.05.01 Design and construction of ships, vessels and ocean engineering facilities	Design and construction of ships, ocean engineering facilities
Maritime Institute	full-time	Specialist	26.05.05 Navigation	Navigation on sea routes
Maritime Institute	full-time	Specialist	26.05.06 Operation of marine power plants	Operation of main ship propulsion system
Maritime Institute	full-time	Specialist	26.05.07 Operation of marine electrical equipment and automation equipment	Operation of shipboard electrical and automatic equipment
Maritime Institute	full-time	PhD	2.5.18. Ship design and construction	
Polytechnic Institute	part-time	Bachelor	19.03.04 Product technology and catering organization	Technology and organization of production of catering products
Polytechnic Institute	part-time	Bachelor	23.03.03 Operation of transport and technological machines and complexes	Automobiles and the automotive industry
Polytechnic Institute	part-time	Bachelor	23.03.03 Operation of transport and technological machines and complexes	Operation of land vehicles
Polytechnic Institute	part-time	Master	19.04.04 Product technology and catering organization	Modern technologies of organization and production of catering products
Polytechnic Institute	part-time	Master	20.04.01 Technosphere safety	Technosphere safety
Polytechnic Institute	part-time	Master	23.04.01 Technology of transport processes	Traffic organisation and safety
Polytechnic Institute	full-time	Bachelor	12.03.01 Instrument engineering	Information - measurement equipment and technologies
Polytechnic Institute	full-time	Bachelor	12.03.04 Biotechnical systems and technologies	Biotechnical - medical devices and systems
Polytechnic Institute	full-time	Bachelor	15.03.04 Automation of technological processes and productions	Automation of technological processes and productions (industry)
Polytechnic Institute	full-time	Bachelor	15.03.05 Design and technological support of machine-building industries	Design and technological support of machine-building industries
Polytechnic Institute	full-time	Bachelor	15.03.06 Mechatronics and Robotics	Mechatronic - robotic technological systems and complexes
Polytechnic Institute	full-time	Bachelor	19.03.04 Product technology and catering organization	Technology and organization of production of catering products
Polytechnic Institute	full-time	Bachelor	20.03.01 Technosphere safety	Technosphere safety
Polytechnic Institute	full-time	Bachelor	23.03.01 Technology of transport processes	Transportation organization and management in a single transport system
Polytechnic Institute	full-time	Bachelor	23.03.03 Operation of transport and technological machines and complexes	Operation of land vehicles
Polytechnic Institute	full-time	Bachelor	27.03.01 Standardization and metrology	Metrology and technical quality control of products
Polytechnic Institute	full-time	Master	12.04.01 Instrument engineering	Information - measurement equipment and technologies
Polytechnic Institute	full-time	Master	12.04.04 Biotechnical systems and technologies	Biotechnical systems and medical devices
Polytechnic Institute	full-time	Master	15.04.04 Automation of technological processes and productions	Automation of technological processes and productions (industry)

Polytechnic Institute	full-time	Master	15.04.05 Design and technological support of machine-building industries	Marine engineering technologies
Polytechnic Institute	full-time	Master	19.04.04 Product technology and catering organization	Modern technologies of organization and production of catering products
Polytechnic Institute	full-time	Master	20.04.01 Technosphere safety	Technosphere safety
Polytechnic Institute	full-time	Master	27.04.01 Standardization and metrology	Reverse engineering
Polytechnic Institute	full-time and part-time	Master	15.04.05 Design and technological support of machine-building industries	Mechanical engineering technology
Polytechnic Institute	full-time	PhD	2.10.1. Fire safety	
Polytechnic Institute	full-time	PhD	2.10.3. Occupational safety	
Polytechnic Institute	full-time	PhD	2.3.3. Automation and control of technological processes and productions	
Polytechnic Institute	full-time	PhD	2.5.5. Technology and equipment of mechanical and physico-technical processing	
Polytechnic Institute	full-time	PhD	2.5.6. Mechanical engineering technology	
Polytechnic Institute	full-time	PhD	2.5.22. Product quality management. Standardization. Organization of production
